

Home learning for Room 6 – Week 4 Term 2

Until 12th June our class has free access to an online literacy event: **The Reading Eggspedition**. It is a programme provided by Reading Eggs and it's completely free. The students complete reading, spelling and literacy activities on their individual learning pathway.

It is getting colder! Please help your child to remember their warm clothing

- polar fleece
- jersey
- rain jacket
- shoes
- socks
- gloves
- hat

Knowledge-A-Thon
Please help your child to study and learn the answers to the questions that was sent home last week.

This week's activity is to answer the questions on the sheet and complete the word search.

Maths

Please work on your skills in Mathletics. Your password should be glued into this book

Mathletics

This week I got _____ points!
